

WARRIOR

BY PREMCAR

PATROL WARRIOR

MADE TO CONQUER

MADE TO CONQUER HARSH AUSTRALIAN TERRAIN

The Patrol WARRIOR by Premcar is developed and built in Australia for drivers who demand capability and refinement in demanding conditions. Not only does it tow, climb, and conquer with ease, it stands taller, wider, and with more authority.

The Patrol's off-road capabilities are already legendary. In the Patrol WARRIOR, you'll discover new destinations. Conquer rugged Australian terrain with extra ground clearance, a wider track and upgraded Hydraulic Body Motion Control (HBMC) suspension. Venture even further with increased carrying capacity and more recovery points. Hear the full vocal range of its V8-powered roar through the exclusive bi-modal active exhaust.

DEVELOPED BY PREMCAR: AT THE FOREFRONT OF AUTOMOTIVE ENGINEERING

Established by Prodrive UK in 1996, Premcar is a renowned low volume vehicle manufacturer. With a long and successful history at the forefront of vehicle re-engineering in Australia, Premcar's WARRIOR team enhance and build the WARRIOR conversion at dedicated facilities in Melbourne.

The Patrol WARRIOR by Premcar has been engineered to ensure no compromise to its core characteristics, while enhancing its capability, looks and driving enjoyment. Premcar's development process focused on three key pillars, each designed to broaden the Patrol's already legendary might.

For complete peace of mind on the road, when you service your Patrol WARRIOR with Nissan, you're also entitled to the Nissan MORE Plan, which provides up to 10 years or 300,000km (whichever comes first) of Warranty cover, and Premcar will also match on any WARRIOR enhancement subject to the same terms and eligibility criteria.**

ENHANCED CAPABILITY

The Patrol WARRIOR boasts increased ground clearance, larger all-terrain tyres, a redesigned towbar to accommodate a full-size spare, and key improvements to suspension and GVM#. Its bigger and bolder dimensions give it extra presence both on and off-road.

THE PERFECT SOUNDTRACK

The bespoke bi-modal exhaust system unleashes the full roar of the 298kW V8 engine.

SUPERB REFINEMENT

The Patrol WARRIOR delivers the ideal blend of tough exterior styling, cabin comfort and ride smoothness, providing ultimate comfort for those long journeys on and off-road.

GVM = Gross Vehicle Mass. GVM is the maximum laden mass of a motor vehicle.

** Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years added under the service activated program. Conditions apply. Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty). Warranty operates in addition to your rights under the Australian Consumer Law. NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

ENHANCED CAPABILITY

POWERFULLY BUILT

Overall capability is enhanced in the Patrol WARRIOR thanks to its segment-leading* ground clearance at 323mm, larger all terrain tyres, redesigned towbar to support a full-size spare, and upgrades to its suspension and GVM#.

Nissan's innovative Hydraulic Body Motion Control (HBMC) system has been redeveloped in the Patrol WARRIOR, improving on the Patrol's already excellent performance in handling, steering confidence, ride, feel and comfort – both on and off-road.

Multi-rate springs in the front and rear enable fantastic wheel articulation off-road while minimising pitch and roll on-road. The 50mm increased ground clearance and 40mm wider wheel track improve performance and stability over the toughest terrain, while unique 18-inch alloy wheels with All-Terrain tyres deliver excellent driving dynamics with a smooth and quiet ride.

Capability has been improved wherever possible, resulting in a GVM# increase of 120kg. The Patrol WARRIOR can tow up to 3,500kg braked[^], for serious toy hauling. And when you venture into the rough stuff, the two rated rear recovery points mean you'll know you can get there – and back again.

* Based on the SUV upper large < \$120,000 VFACTS motor vehicle classifications as at April 2024.
GVM = Gross Vehicle Mass. GVM is the maximum laden mass of a motor vehicle.
^ Towing capacity is subject to towbar/towball capacity and is based on the fitment of a genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

THE PERFECT SOUNDTRACK

HEAR THE RUMBLE

Premcar designed and engineered a bespoke bi-modal active exhaust system for the Patrol WARRIOR that lets you unleash the roar of its glorious 298kW 5.6L V8 engine. This distinctive exhaust system increases the engine sound without compromising ride enjoyment.

Utilising the latest in valve technology, it is quiet and refined on a light throttle, but roars when strong acceleration is demanded. Giving you the best of both worlds – a quiet ride when you want it, and full noise when you put your foot down.

Tip the transmission into 7-speed manual mode and the WARRIOR's bi-modal exhaust roars into life to deliver an even more engaging and memorable driving experience.

The distinctive twin-tip side exits are positioned on the right-hand side and are carefully packaged not to encroach on the ramp-over profile to avoid the risk of damage.

SUPERB REFINEMENT

COMFORT FOR 8 IN

TOUGH CONDITIONS

The Patrol WARRIOR delivers the ideal blend of cabin refinement and ride smoothness, with a spacious interior that seats up to 8 comfortably on long journeys. The sophisticated black colour scheme features Alcantara[®] door and dashboard inlays with WARRIOR branding, leather accents[†] throughout and a durable clear-coated gloss black trim that reflects the Patrol WARRIOR's purposeful style.

TOUGH OUTSIDE, TECH INSIDE

Adventure through Australia's ancient landscape, effortlessly connected with modern tech including wireless Apple CarPlay[®] and Android Auto[™] smartphone connectivity accessed via the large and clear 12.3" integrated touchscreen infotainment system with satellite navigation. Stay comfortable with tri-zone climate control and keep your devices powered up in the wireless smartphone charging compartment[¥]. Patrol WARRIOR smoothly integrates modern conveniences into rugged journeys.

WIRELESS APPLE CARPLAY[®] AND ANDROID AUTO[™]

Like an extension of your smartphone, Apple CarPlay[®] and Android Auto[™] give you convenient access to your favourite apps, music, podcasts, phone calls, messages and more, with seamless wireless connectivity.

12.3" INTEGRATED TOUCHSCREEN INFOTAINMENT SYSTEM

Bigger is better – including the 12.3" touchscreen in Patrol WARRIOR that gives you a high-definition view of apps, media and navigation in a responsive interface.

SATELLITE NAVIGATION

Input your destination directly into the Patrol WARRIOR's satellite navigation system and get accurate directions displayed on the easy-to-read 12.3" touchscreen display.

AROUND VIEW MONITOR^{°°}

Patrol WARRIOR gives you a 360° view of your surroundings when reversing, making reversing and parking easier and safer.

OFF-ROAD MONITOR

Get the off-road advantage with Patrol WARRIOR's inbuilt Off-Road Monitor, displaying the vehicle angle, tyre angle and tyre slip alerts all on the 7" TFT screen.

WIRELESS SMARTPHONE CHARGING[¥]

Ditch the cables and dock your phone in the innovative wireless charging compartment for charging on the road. Compatible with all wireless charging-enabled smartphones.

[∞] Alcantara is a registered trademark of Alcantara S.P.A.

[†] Leather-accented features and upholstery may contain synthetic material.

[£] CarPlay is a registered trademark of Apple Inc. Android Auto is a trademark of Google LLC.

[¥] Compatible device required.

^{°°} AVM is a driver's aid only. It cannot completely cover blind spots, and may not detect moving objects. Always check surroundings before moving vehicle.

EXTERIOR

ENHANCED PERFORMANCE, ELEVATED PRESENCE

The enhanced design of the Patrol WARRIOR seamlessly integrates with the Patrol's sophisticated lines, while adding a wider and more purposeful stance.

The upgraded exterior increases off-road capability without compromising performance. It is taller, wider and longer, with unique WARRIOR styling throughout.

Black exterior accents including black grille, side steps, mirror caps, rear bumper diffuser and black chrome WARRIOR badge underline Patrol WARRIOR's tough yet sophisticated look.

WARRIOR WHEELS & TYRES

The bespoke 18" black alloy wheels are exclusive to Patrol WARRIOR and are shod with heavy-duty 34.4" Yokohama® Geolandar® All-Terrain tyres, including a full-size alloy spare.

SUSPENSION & TRACK WIDTH

Patrol WARRIOR has extra presence, standing taller and wider than the Patrol Ti with 50mm increased ground clearance and a 40mm wider track, delivering even more stability and off-road agility.

REDESIGNED BUMPERS & FENDER FLARES

Patrol WARRIOR has revised front and rear bumper designs for extra wheel clearance, integrated with the unique grained-finish fender flare kit for extra body protection when off-roading.

UNDERBODY PROTECTION

A WARRIOR stamped red powder-coated steel bash plate protects the underbody of the Patrol WARRIOR from rough driving surfaces.

REVISED TOWBAR

The towbar setup has been redesigned – including cross-member, tongue and harness – to allow the Patrol WARRIOR to carry a full-size spare wheel under the vehicle.

TWO 3,500KG[§] RECOVERY POINTS

The revised towbar setup features two rear recovery points to help get you – or more likely, your mates – out of tough spots.

† Yokohama® and Geolandar® are registered trademarks of Yokohama Rubber Co., Ltd.

§ The towbar as a system is certified to 3,500kg in accordance with Australian Design Rules. Towing capacity is subject to towbar/towball capacity and is based on the fitment of a genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

TECHNOLOGY

ADVANCED SAFETY TECH FROM HIGHWAY TO OFF-ROAD

The Patrol WARRIOR uses advanced technologies to make driving safer and easier. For daily driving, you have the full suite of tech including Intelligent Lane Intervention, Intelligent Cruise Control[Ⓢ] and Intelligent Blind Spot Intervention[Ⓢ].

For off-road driving, you've got an electronic rear differential lock for extra traction on challenging terrain, and the innovative Around View Monitor[Ⓢ] with an integrated Off-Road Mode[Ⓢ] which at slow speeds gives you a clear view of the surrounding terrain, so you can see exactly where to place your front wheels. Hill Descent Control and Hill Start Assist control speed on steep grades for unparalleled off-road confidence.

YOU'LL FIND AN IMPRESSIVE SUITE OF NISSAN INTELLIGENT MOBILITY TECHNOLOGIES ONBOARD:

- Around-View Monitor with Moving Object Detection[Ⓢ]
- Off-Road Mode[Ⓢ]
- Intelligent Cruise Control (ICC)[Ⓢ]
- Intelligent Emergency Braking (IEB)
- Intelligent Forward Collision Warning (IFCW)
- Lane Departure Warning (LDW)
- Intelligent Lane Intervention
- Blind Spot Warning (BSW)[Ⓢ]
- Intelligent Blind Spot Intervention[Ⓢ]
- Rear Cross Traffic Alert (RCTA)

[Ⓢ] AVM is a driver's aid only. It cannot completely cover blind spots, and may not detect moving objects. Always check surroundings before moving vehicle.

[Ⓢ] Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. Intelligent Cruise Control should not be used while towing.

[Ⓢ] Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you.

[Ⓢ] Off-Road Mode does not provide a comprehensive view of the area surrounding the vehicle. Always check surroundings and clearance height. Environmental conditions may limit effectiveness and view may become obscured.

OWNERSHIP

SERVICING, WARRANTY & REPAIR

To ensure a hassle-free purchase and ownership experience with your Patrol WARRIOR by Premcar, servicing, warranty and repairs can all be undertaken for your convenience by your Nissan Dealership.

Servicing is covered by Nissan's Flat Price Service program⁺⁺, and when you service your Patrol WARRIOR with Nissan, you're entitled to the NISSAN MORE Plan, which provides up to 10 years or 300,000km (whichever comes first) of Warranty, and Premcar will also match on any WARRIOR enhancement subject to the same terms and eligibility criteria.* This ensures even greater peace of mind and support throughout your ownership journey.

Simply contact your Nissan Australia Dealership for servicing or warranty queries, and Nissan's service team will take care of the rest.

* Up to 10 years or 300,000km (whichever occurs first), when servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years previously added. Conditions apply. Full terms at Nissan.com.au/warranty.

⁺⁺ Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for the first 5 services or 5 years, whichever occurs first. Some exclusions apply. Ask your Nissan Dealer or view full terms at Nissan.com.au/service.

AT A GLANCE

A COMMANDING PERFORMER

The Patrol WARRIOR by Premcar features the impressive powertrain, technology, safety equipment and refinement of the award-winning Patrol, with enhancements by Premcar that make it even more formidable in tough Australian conditions.
